

Brethren and Companions

The Provincial Office will be closing over the Christmas period from 12 noon Wednesday 19th December until 9:00 a.m. Wednesday 2nd January.

As of 1st January registration fees for Initiates and Exaltees will increase as per the email sent to all Secretaries and Scribes last month.

All candidates registered on ADELPHI before the end of the year will enjoy this year's rates. It is important therefore that all Registration Forms are submitted before the Office closes for Christmas.

There will be limited email cover from the Office over the holiday period, but the telephones will be switched off.

On behalf of the Provincial Office and all the volunteers I would like to wish you, and your families, a very Merry Christmas, and a healthy and happy New Year.

Kindest regards

Paul Christopher
Provincial Grand Secretary / Scribe E
